ASCOT CLOSSES C\$4.0 MILLION NON-BROKERED FLOW THROUGH PRIVATE PLACEMENT

Vancouver, B.C. April 20, 2023 — Ascot Resources Ltd. (TSX: AOT; OTCQX: AOTVF) (“Ascot” or the “Company”) is pleased to announce that pursuant to its news release dated April 12, 2023, the C\$4.0 million non-brokered flow through private placement (the “Offering”) has been closed.

The Offering raised total gross proceeds of C\$4,050,000 and consisted of 5,000,000 common shares of the Company, which qualify as “flow-through shares” within the meaning of the Income Tax Act (Canada) (the “FT Shares”), at a price of C\$0.81 per FT Share.

The proceeds from the Offering will be used to fund the 2023 exploration program at the Company’s Premier Gold Project (“PGP” or the “project”), located on Nisga’a Nation Treaty Lands in the prolific Golden Triangle of northwestern British Columbia. The gross proceeds from the issuance of the FT Shares will be used for “Canadian exploration expenses”, and will qualify as “flow-through mining expenditures” as those terms are defined in the Income Tax Act (Canada), which will be renounced to the purchaser of the FT Shares with an effective date no later than December 31, 2023 in an aggregate amount not less than the gross proceeds raised from the issue of the FT Shares.

The FT Shares issued in the Offering will be subject to a hold period expiring four months and one day from the closing date of the Offering.

This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful, including any of the securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “1933 Act”) or any state securities laws and may not be offered or sold within the United States or to, or for account or benefit of, U.S. Persons (as defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration requirements is available.

Cautionary Statement Regarding Forward-Looking Information

All statements and other information contained in this press release about anticipated future events may constitute forward-looking information under Canadian securities laws ("forward-looking statements"). Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect", "targeted", "outlook", "on track" and "intend" and statements that an event or result "may", "will", "should", "could" or "might" occur or be achieved and other similar expressions. All statements, other than statements of historical fact, included herein are forward-looking statements, including statements in respect of the use of proceeds from the Offering, advancement and development of the PGP and the timing related thereto, the exploration of the Company's properties and management's outlook for the remainder of 2023 and beyond. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements, including risks associated with the business of Ascot; risks related to exploration and potential development of Ascot's projects; business and economic conditions in the mining industry generally; fluctuations in commodity prices and currency exchange rates; uncertainties relating to interpretation of drill results and the geology, continuity and grade of mineral deposits; the need for cooperation of government agencies and indigenous groups in the exploration and development of properties and the issuance of required permits; the need to obtain additional financing to develop properties and uncertainty as to the availability and terms of future financing; the possibility of delay in exploration or development programs and uncertainty of meeting anticipated program milestones; uncertainty as to timely availability of permits and other governmental approvals; risks associated with COVID-19 including adverse impacts on the world economy, construction timing and the availability of personnel; and other risk factors as detailed from time to time in Ascot's filings with Canadian securities regulators, available on Ascot's profile on SEDAR at www.sedar.com including the Annual Information Form of the Company dated March 23, 2023 in the section entitled "Risk Factors". Forward-looking statements are based on assumptions made with regard to: the estimated costs associated with construction of the Project; the timing of the anticipated start of production at the Project; the ability to maintain throughput and production levels at the Premier Mill; the tax rate applicable to the Company; future commodity prices; the grade of Resources and Reserves; the ability of the Company to convert inferred resources to other categories; the ability of the Company to reduce mining dilution; the ability to reduce capital costs; and exploration plans. Forward-looking statements are based on estimates and opinions of management at the date the statements are made. Although Ascot believes that the expectations reflected in such forward-looking statements and/or information are reasonable, undue reliance should not be placed on forward-looking statements since Ascot can give no assurance that such expectations will prove to be correct. Ascot does not undertake any obligation to update forward-looking statements. The forward-looking information contained in this news release is expressly qualified by this cautionary statement.
